1 Brian Mechanisms

We are a Kenyan software and robotics company

1.1 Robotics

1.1.1 Long Range Linear Actuator

1.1.2 Cable Actuator

1.1.3 Cartesian Robots

1.1.3.1 BM AgriBot

1.1.4 Walking Robot

1.1.4.1 BM AgriBot

1.2 Software

1.2.1 Library Management System

1.2.2 Farmbot Simulator

1.2.3 Csynage

1.3 External Projects

1.3.1 Dawascope

1.4 Research and Development

1.4.1 Water Valve

1.4.2 Water Level Sensor

1.5 Retired Software

1.5.1 csycms

2 Robotics

We are a Kenyan software and robotics company

3 Software

We are a Kenyan software and robotics company

4 Research and Development

We are a Kenyan software and robotics company

5 Projects

We are a Kenyan software and robotics company

6 Retired Software

We are a Kenyan software and robotics company

7 Careers

We are a Kenyan software and robotics company

8 About Us

We are a Kenyan software and robotics company
